**REMARKS**

The finality of the Office Action dated April 19, 2006 is hereby traversed, for the following reasons.

The standard for examining patent applications, as promulgated in 37 CFR §1104(b), requires that “[t]he examiner's action will be complete as to all matters.”<sup>1</sup> The Office cannot simply choose to examine some claims, while others remain unaddressed. The examiner should never lose sight of the fact that in every case the applicant is entitled to a full and fair hearing.”<sup>2</sup>

In the pending final Office Action claims 13-16 and 20 are not subject to any rejection, and apparently, through an oversight, have not yet been examined. The Amendment filed on March 20, 2006 in response to the first Office Action pointed out this apparent oversight.<sup>3</sup> Despite this, the pending final Office Action was issued and claims 13-16 and 20 are neither allowed nor rejected. No grounds of rejection are specified for these claims, and neither have they been indicated as allowable.

Therefore, it is hereby requested that the finality of the pending Office Action be withdrawn, so as to afford the Office an opportunity to examine claims 13-16 and 20.

---

<sup>1</sup> 37 CFR §1104 Nature of examination. - Patent Rules. See MPEP §707.07(g).

<sup>2</sup> MPEP §706.07(c)

<sup>3</sup> Amendment of March 20, 2006 at page 7, first paragraph of Remarks.

*Deposit Account Authorization / Provisional Time Extension Petition*

It is believed that no extension of time is necessary for this response, and no fees are required beyond those specified in the Fee Transmittal accompanying this Petition. However, to the extent necessary, a petition for an extension of time under 37 C.F.R. §1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this, concurrent and future replies, including extension of time fees, to Deposit Account 50-0439 and please credit any excess fees to such deposit account.

**CONCLUSION**

In the event there are any unresolved issues which may readily be addressed by telephone, the Examiner is kindly invited to contact applicant's representative, Scott Richardson, at (571)748-4765 so that such issues may be resolved as expeditiously as possible.

Respectfully submitted,

Scott Charles Richardson
